Is your freezer empty?

Everyone is welcome to come bid on some good 4-H Beef at the Rocky North/South 4-H Sale and Achievement Day.

Some helpful facts:

- You don't need to be a business to purchase a steer (although we love our businesses!) Individuals, a couple of families or a group of friends could purchase one and share the beef.
- We look after delivering the steers for processing. You just need to pick up the finished product.
- Want the advertising but not the beef? Check out our buyback program – you pay the difference between the sale price and buyback price.
