Midstream and Infrastructure Ltd.

PUBLIC NOTICE
TIDEWATER MIDSTREAM AND
INFRASTRUCTURE LTD.
RAM RIVER POWER PLANT PROJECT
OPEN HOUSE

Tidewater Midstream and Infrastructure Ltd. (Tidewater) is making an application to Alberta Utilities Commission (AUC) for approval to construct and operate the Ram River Power Plant at an existing Alberta Energy Regulator (AER) permitted site for additional electrical generation of approximately 172 MW. The proposed Project will operate isolated from the Alberta Integrated Electrical System (AIES) and serve only onsite load. There are no transmission or distribution facilities associated with this Project.

The proposed Ram River Power Project will be constructed and operated in accordance with recommended and safe industry practices and in compliance with requirements as set out by the AUC Rule 007 (Apr.2018).

Tidewater is committed to keeping the public informed of our ongoing activities while working to foster positive and collaborative relationships with all parties who have an interest in Tidewater's development plans. This public consultation is an important part of our subsequent submission to the AUC and to our internal decision making and Project planning process.

Please join us at our Public Open House.
Tuesday, July 17th, 2018 • 4 – 8 p.m.
Caroline Community HUB
Kurt Browning Arena
5103 - 48 Ave, Caroline AB

We look forward to seeing you at the Open House. If you cannot attend, please contact us with any questions that may arise.
