

ELEMENT
GP INC.

OPEN HOUSE

Where: Crammond Community Hall

Date: August 16, 2018

Time: 6 pm to 9 pm

ELEMENT is pleased to announce that we will be hosting an Open House on Thursday August 16th at the Crammond Community Hall. At this event we will answer your questions and concerns regarding traffic, water, noise, lighting, and odour control. Should this event not rectify your concerns, we will also have forms for you to complete where you can provide further information related to your specific issue(s). Each of these letters of concern will be replied to by email.

For additional details please visit
<https://www.element-cg.com/qa/>

This section of the website should address and resolve many of the common concerns regarding our high technology, micro-climate controlled, vertical farming facility.
