

WELCOME TO OUR BACKYARD Rocky River Rats

What better way to enjoy the beautiful scenery, than to sit back and take it all in.

ASK ABOUT OUR TOURS!

We do transfers at Aylmer Bridge on the Forestry Truck Road, Saunders, Horburg, and also pick up at Drayton Valley.

Rocky River Rats – tubing rentals and transportation

Enjoy a beautiful afternoon floating down the North Saskatchewan River and catch some rapids or relax on the Clearwater River with the family. All activities are weather pending for your safety.

Animals known to be seen on this journey are deer, moose, bears, bald eagles, bighorn sheep, wild horses, wolves, coyotes and many more. If you're lucky enough you may even catch a glimpse of a Sasquatch.
