Q: Why should I subscribe to The Mountaineer?

A: There are several reasons to subscribe versus buying your paper at the store.

First: by purchasing a subscription, you save yourself 40 per cent off the weekly newsstand price – for a yearly subscription rate of only \$41. Second: The Mountaineer is delivered right to your mailbox every week.

Alternatively, if you do not wish to wait for the paper to arrive in your mailbox on Wednesdays, you can still purchase a subscription and arrange to pick up your newspaper from our office on Tuesday afternoons. You can also purchase a digital subscription to read on your home computer or tablet. Call our office to subscribe today, 403-845-3334.
